**TEXT QUESTIONS**

***from* Blue Nines and Red Words**

Daniel Tammet

**DIRECTIONS:** Respond to these questions. Use textual evidence to support your responses.

1. **Analyze** (a) In what ways might having synesthesia be useful? (b) In what ways might having synesthesia prove challenging?

---

---

---

---

2. **Connect** How does Tammet use numbers to understand other people's emotions?

---

---

---

---

3. **Compare and Contrast** How is Tammet's relaxation technique different from or similar to ways people commonly relax?

---

---

---

---

4. **Interpret** What does Tammet mean when he says numbers are his "first language"?

---

---

---

---

5. **Infer** What do the final two paragraphs of the text suggest about Tammet?

---

---
