

4TH Grade Social Studies Project

“Design Your Own Country”

Objective:

Students apply what they've learned about different governments, leaders, and citizenship by creating their own imaginary country—complete with a government, laws, and symbols.

Instructions:

Create a Country Profile

Each student/group will design a country and include:

1. **Country Name**
2. **Leader(s) and how they are chosen**
3. **3 Laws or Rules**
4. **3 Citizen Rights and Responsibilities**
5. **National Flag (drawn and colored)**
6. **Create a passport for this country**

- **Build a Mini Poster or Booklet**

- **Present Your Country**

Students present their new country to the class, explaining how their government works and what makes it unique.
