English	Unit 2 (My Bedroom) Lesson 1: Naming furniture (Vocabulary: bed, table, chair, door, window) In Class: Sing "Hello Song" Use flashcards and Pandy cut-out to introduce and chant names. Play the 'My Bedroom' song. Take part in a chant, learn furniture vocabulary. Introduce Letter (F): Practice both the name and sound /f/.	Lesson 2: My Bedroom! Sing Hello song. Letter (F) In Class: (Recap: Chair, Table, Book, Pencil, Door, Window). Page 15 in Pandy and Friends book. Trace the letter (F) Words that start with the letter F (Foot, Family, Fun, Frog, Fish).	Lesson 3: Actions and Routines: (Vocabulary: make the bed, push the chair, clean the table) In Class: Practice the actions from the song (track 13) in the lesson. Worksheet: Color the letter F.	Lesson 1-3: Review all vocabulary. Talk about the importance of keeping our bedroom clean. In Class: Writing book (P. 24) Make the Letter (F) with playdough!	Lesson 1-3: Putting it all together. "My Bedroom" song and the actions (track 12 and 13) with full movement and singing. Work on (p.25) handwriting book in class. Letter (F): Trace in sand. Homework: (p. 26-27) in the handwriting book. (Please don't forget to send the book back on Sunday).

Science			"The Clean-up Crew" Discuss the importance of keeping things clean (Moral/Civic from Lesson 3). Use a magnifying glass to observe dust or dirt on a table or chair. Talk about germs and why we clean. Cleaning for the Environment: Discuss the importance of helping at home and school. Simple activity: water a plant or wipe down a toy shelf with a damp cloth.		Activity: Sink or Float with small items in water. Use small, safe bedroom related objects (ex. plastic toy furniture) to predict and test if they sink or float in a tub of water.
Math	Sorting by Size and Color: Sort objects by size (Big/Small) and color. Introduce concepts like big/little and more/less using items. Create 'Shape Scarecrows' to review shapes. Introduce the Number (6).	Counting and Matching: Distribute Student's Book Pandy and Friends (p.15). Count the objects on the page. Match number cards (1-5) to groups of items using objects in class. Trace number (6).		Counting: Use six objects (like blocks) to represent the number 6. Practice counting to 6 and recognizing the numeral. Activity: Build a tower using 6 blocks.	
Story Time	Read Pandy Flashcard story!				Moral and Civic Education: Read a story about helping others (like Ben and Pandy cleaning). Discuss being polite, caring for property, and asking for help.
