I will not accept any delays — if you do not present your project on that day, it will not be accepted after the deadline. Make sure you are fully prepared and have everything ready before the presentation date. Good luck!
IT				Students will define `digital artifacts` as any object or file created in a digital environment. They will compare and contrast the fundamental properties of 2D drawings and 3D models. Students will then apply these concepts by using software to create a basic 2D artifact and inspect a 3D artifact.	
Music		اغنية يامعلمنا ومراجعة الايقاعات		اغنية يامعلمنا ومراجعة الايقاعات	
PE	Underhand serve in volleyball
