Lesson 11 : Exploring Human Connections in Our World . What are some features that make up a culture ?	Unit 1 : The Middle East in the World . Lesson 11 : Exploring Human Connections in Our World Why would nations with better developed economies contribute a greater amount of green house gas emissions ?
IT	Presentation of the PowerPoint in front of the students inside the classroom. Bring the presentation on a flash drive, please. If you can't, send it to me via LMS.				

PE			The final exam will require each student to perform three practical skills, choosing one skill from each sport studied during the semester. In football, the available skills include passing, shooting, and ball control. In basketball, students may choose from passing, shooting, or ball handling. In volleyball, the options are the underhand serve and underhand reception. Each student will therefore demonstrate one skill from football, one from basketball, and one from volleyball, reflecting the practical skills learned throughout the course.
