IT					Students will explore the concept of 'Raw Data,' learning why unprocessed information needs to be cleaned and sorted to become organized, readable, and useful.
Music		Teacher`s song and review the musical instruments		Teacher`s song and review the musical instruments	

PE		The final exam will require each student to perform three practical skills, choosing one skill from each sport studied during the semester. In football, the available skills include passing, shooting, and ball control. In basketball, students may choose from passing, shooting, or ball handling. In volleyball, the options are the underhand serve and underhand reception. Each student will therefore demonstrate one skill from football, one from basketball, and one from volleyball, reflecting the practical skills learned throughout the course.
